

DC FUEL FUEL PUMP SET

For diesel, gasoline, kerosene, mineral spirits, stoddard solvent and heptanes. Explosion proof, permanent magnet monitor with thermal overload protection. Built in strainer and bypass valve. Ball bearing construction with no lubrication required. 1" diameter, 1.2" hose with static ground wire and 1" manual nozzle. Corrosion proof, water proof and 30 minute duty cycle, not for continuous operation.

● TECHNICAL SPECIFICATION

Product Type	P-DYB50-DC12B	P-DYB75-DC12B
Body material	Cast iron	Cast iron
Max.Flow Rate	57L/min	76L/min
Explosion-proof motor	1/4HP	1/4HP
Applicable Media	Gasoline,diesel,kerosene	
Power	12V/24V, DC	
Inlet	1"NPT	1"NPT
Outlet	3/4"NPT	3/4"NPT
Threaded tank adapter	2"NPT	2"NPT
Max.operating pressure	0.3Mpa
